I've noticed a few of the questions on stack overflow I've asked I've got the "" added to the address bar. What does it mean? To be clear, I've got HTTPS for everything. A: https: The standard name for HTTP over SSL/TLS (HTTPS) A: The name is HTTPS but in practice it's pretty common to use the protocol. Welcome to the Consumerist Archives Thanks for visiting Consumerist.com. As of October 2017, Consumerist is no longer producing new content, but feel free to browse through our archives. Here you can find 12 years worth of articles on everything from how to avoid dodgy scams to writing an effective complaint letter. Shopping at the big box retailer where the clerk has a hard time understanding you is exasperating, but worse still is to go shopping at the big box retailer where the clerk is taking pity on you. It's an insult. The worst offenders are the ones who immediately engage you. They're not just condescending. They're condescending to your point-of-view and status in their minds. The worst of them start by saying, "Your financial situation must be so difficult!" or "What can I do for you?" and proceed to interrogate you. I started shopping at Old Navy and was immediately caught out. The store rep insisted that I come back with my credit card to check the price and give them my credit card information so that I could place an
